## **Introducing Our Judges**

### **AKC Judge: Vicki Seiler- Cushman**

Vicki Seiler-Cushman of Beavercreek, Ohio began showing dogs when she was 12 years old, winning a group fourth at Westminster when she was 14 with her Siberian Husky. Vicki became a professional handler guiding many top winning dogs in all seven groups including winning the Working Group at Westminster in 1990 with Giant Schnauzer, Ch. Skansen's I Have a Dream. During the span of her career, she has won more than 200 Bests In Show. Vicki won Top New Professional Handler of the year in 1987 and Handler of the Year in 1991.

Vicki has had the honor of judging Best in Show at the National Dog Show, (2022) the Working group at the AKC National Championship (2023) the Non-Sporting group at Westminster.(2025) and The Working group at Morris and Essex (2025). She has also judged The Tournament of Champions in Mexico City two times.

Vicki is the President and Show Chairman of the Dayton Kennel Club, a member of The Giant Schnauzer Club of America, The Doberman Pinscher Club of America, The Boston Terrier Club of America, Morris and Essex, International Kennel Club of Chicago and is the Chairman of the DPCA Judges Education Committee and on the Judges Education committee for the Boston Terrier Club of America.

Vicki is a Procter and Gamble public relations retiree and judges close to 100 breeds over 6 groups with her main interest in Working Dogs. She lives with her husband Dr. Jeff Cushman; they own several Chihuahuas and two Doberman. Together they are the parents of five children.

## **Handler Judge: Deanna Rotkowschi**

Deanna was born into the world of purebred dogs and was raised in the litter box and show ring. The product of parents who bred and showed Akitas and Alaskan Malamutes for over 46 years, Deanna found a love for breeding and showing at a young age.

As Deanna grew, so did her passion and talent. She became the #1 Jr Handler in the country with her Akita, Lady.

The Rotkowski Family added Shiba Inu to their kennel in the late 1990s and under the guidance of Deanna handling their kennel bred and owned over 100 AKC champions, as well as multiple Group Winners, Group Placers, and National and Regional Specialty winners.

After much success with her own dogs Deanna decided to pursue a career in professional handling. She worked for 2 of the top handlers in her region for 4 years then went on to her own. Nearly 25 years later, she continues to handle professionally. She has amassed a large amount of wins to her record, but to her, her greatest accomplishment is the love and trust of all the dogs she has gained.

When not at shows you can find Deanna pursuing her other hobbies of trying new restaurants, working out at the gym, training dogs, or simply curling up on the couch with her dogs.

It is an honor and pleasure to be asked to judge this year's Top Twenty!

## **Breeder Judge: Patty Prather**

I started working for Dr. Richard Selby DVM when I was seventeen. I met Connie Morris, Vielseitig Weimaraners and Sami Simons, Jamspirit. All three became my mentors and true friends. I learned a lot from these guys and developed lifelong friendships. They introduced me to the world of Weimaraners and it was love at first sight. My first Weim was in 1975, Jamspirit Delikate CD, NRD,NSD. I have never looked back and have bred litters under the Vanity kennel name. It is truly my passion.

**Named after the author Harper Lee, this girl added another successful year in conformation to her story. Beginning her show career on the weekend of her first birthday, Harper earned her Champion and Grand Champion titles quickly. Multiple Best of Breed wins and Group placements helped her earn her Grand Champion Bronze soon thereafter. She earned her Grand Champion Silver that same year and earned her Grand Champion Gold midway through 2024. Beautifully presented by, and with much gratitude to, her amazing handler and “second Mom” Kate Berry.**

**In keeping with her registered name, Harper is an avid pointer. She will begin working on field and other AKC titles in 2025. Hoping that her sparkly personality, easy going temperament, exceptional intelligence, exuberant enjoyment of life, and lovely conformation are passed on to her offspring in the future.**

**2024 – All Breed Ranking – N/A**

**Born in October 2021, Stella is a 3-year-old bred by Teri & Dan Buckley and Christine Trujillo out of GCHB CH Wing It's Silver Flying Legend JH and CH Cheyenne's Bee-You-T-Full @Apex JH. She is owned by Aaron & Kari Frederick of Burleson, Texas and is skillfully handled by Laura Chamness. Stella's career got off to a quick start with a Group 2 placement at just her second show and she has continued to experience great success. Stella's love for showing is apparent by her excitement when we get her show backpack out for a trip and by her constant tail wagging in the ring. She shows on a very limited basis because her mom can't stand to be without her.**

**Stella is incredibly bold and confident but at the same time the most loving, sweet, loyal dog ever born. Her athleticism and intelligence continue to amaze daily. She has proven her versatility by working successfully with several handlers.**

**In her spare time Stella likes to torment the other dogs in the house and play frisbee. Stella looks forward to obtaining her Junior Hunter title, doing some tracking and scent work, and becoming a mother.**

**I love love love this girl. She is sweet, talented and loving with a little bit of spice mixed in.**

**This is her second-year finishing in the Top 20 and last year she was select bitch. A big big thank you to Gerry Thornton for handling Lundie and letting her shine. She even finished in the Top Ten Owner Handler with me.**

**There is a lot of natural field ability in her and I need to really work on that this year. There just never seems to be enough time for everything you want to do but we will be out there trying.**
